Website Terms and Conditions

Last updated: 1st August, 2026.

1. About these Terms

These Terms and Conditions govern your use of '**ckinfreshmedia.com'** (the "Website").

The Website is operated by **Nick J. Johnson**, of **Somerset, England** ("we", "us" or "our").

By accessing or using the Website, you agree to comply with these Terms and Conditions. If you do not agree to them, please do not use the Website.

2. Use of the Website

You may use the Website for lawful purposes only.

You must not:

- use the Website in any way that breaches applicable law or regulation;
- attempt to gain unauthorised access to the Website, its servers or connected systems;
- introduce viruses, malware or other harmful material;
- interfere with the operation, security or availability of the Website;
- copy, reproduce, distribute, publish, transmit, sell or commercially exploit Website content except where expressly permitted by these Terms or with our prior written permission;
- use automated systems to scrape, harvest or systematically download Website content without our prior written permission; or
- use the Website in a way that infringes another person's international intellectual property, privacy or other rights.

We reserve the right to suspend or restrict access to this Website where we reasonably believe that these Terms have been breached.

3. Intellectual Property

All intellectual property rights in and to the Website and its content are owned, licensed, or used with the permission of the relevant rights holder (stated above).

This includes, without limitation:

- music and musical works;
- sound recordings and performances;
- lyrics and other words;

- articles, text, copy and written material;
- photographs;
- illustrations;
- artwork and graphics;
- logos, names and branding;
- videos and other audiovisual material;
- website design, layout and presentation; and
- software, databases and other materials forming part of the Website.

UK copyright law protects original literary, musical and artistic works, as well as sound recordings and other forms of creative content. Copyright generally gives rights holders control over activities including copying, distribution, public performance, adaptation and communication to the public.

Nothing in these Terms transfers ownership of any intellectual property rights to you.

4. Music and Audio Content

Unless expressly stated otherwise, music and audio made available through the Website are provided for your personal, non-commercial use only.

You must not, without prior written permission and/or the permission of the relevant rights holder:

- download, copy, reproduce or redistribute music or recordings;
- upload recordings to another website, platform or service;
- make music available for public performance or commercial use;
- synchronise music with video, advertising or other media;
- modify, remix, sample or create derivative works from the music;
- sell, rent, licence or otherwise commercially exploit the music; or
- remove or alter copyright, performer, songwriter, producer or other rights information.

Where music is provided under a separate licence, that licence will take precedence over these Terms to the extent of any inconsistency.

Please note that rights in a musical composition, lyrics, sound recording and performance may belong to different rights holders. Purchasing or accessing a recording does not necessarily give permission to reproduce or exploit all of those rights.

5. Written Content and Words

All original written content on the Website, including lyrics, articles, descriptions, stories, quotations where rights are owned by us, promotional copy and other text, is protected by intellectual property law unless otherwise stated.

You may view and access this content through this Website for your own personal and non-commercial purposes.

You must not reproduce, republish, adapt, translate, distribute, sell or commercially exploit Website text without prior written permission from the relevant rights holder.

Short quotations may be permitted where an applicable copyright exception applies. You are responsible for ensuring that your use of third-party material is lawful.

6. Images, Artwork and Other Visual Elements

Photographs, illustrations, artwork, graphics, logos, videos and other visual elements appearing on the Website may be protected by copyright and other intellectual property rights.

Unless we expressly state otherwise, you must not:

- copy or download images or artwork for publication elsewhere;
- reproduce, modify or manipulate visual content;
- use images or artwork for commercial purposes;
- remove copyright or attribution information;
- incorporate Website visuals into another product, website or service; or
- represent Website visuals as your own work.

If a particular image, artwork or other visual element is supplied under a separate licence, the terms of that licence will apply.

7. Limited Permission to Use the Website

Subject to these Terms, we grant you a limited, non-exclusive, non-transferable and revocable permission to access and use the Website for your personal and lawful purposes.

This permission does not give you ownership of any Website content.

Any permission to reproduce or use particular content beyond ordinary Website use must be obtained from the applicable rights holder in writing.

8. Third-Party Content and Links

The Website may contain links to third-party websites, services or platforms.

These links are provided for convenience only. We do not necessarily endorse or control third-party websites and are not responsible for their content, availability, security, privacy practices or terms.

10. No Unauthorised Downloading or Exploitation

Unless a download or other form of reuse is expressly made available by us, you should assume that Website content is not licensed for downloading, reproduction or redistribution.

If you wish to use music, words, photographs, artwork, videos or other material from the Website for a project, publication, performance, broadcast, advertising campaign or other commercial or public purpose, please contact us to request permission.

Copyright material generally requires permission, a suitable licence, an assignment of rights, or reliance on an applicable copyright exception before it can lawfully be used.
